WELCOME

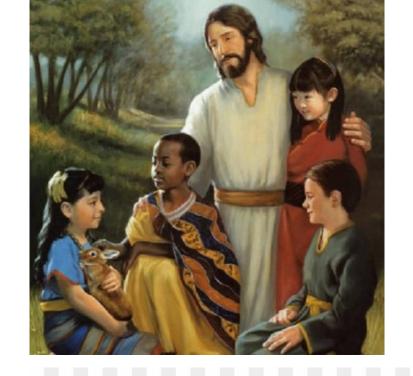

This picture is showing Jesus welcoming us into the kingdom of God.

How can we welcome people into our hearts?

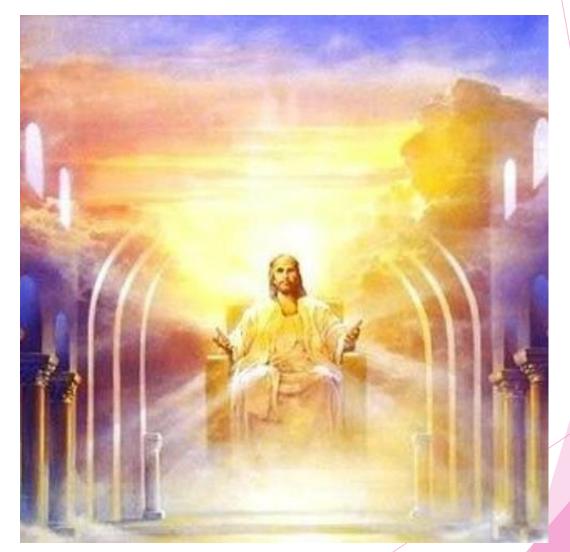

Jesus welcomes us into his life so we should not just welcome him into our hearts but also into our mind and soul. This means when we are having a hard time we should ask Jesus for help and He will fill us with kindness and love in our hearts, mind and soul.

And he said to them, "You shall love the Lord your God with all your heart and with all your soul and with all your mind." This quote tells us God loves us so much we must love him back with our mind, heart and soul.

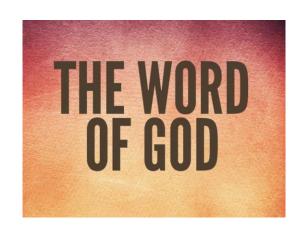

Lets watch a video about God's love for us all.

What is The Word?

The Word of GOD is the Bible. The Bible tells us about the amazing miracles worked by the words of God.

The Word of God is within us all - we just need to draw it out of us.

"In the Beginning was the Word, and the Word was with God." (John 1:1)

God created the world with His words and Jesus healed the sick with His words. We can be kind to others with our words
