

We are learning and growing together as God's family.

We will always do our best to love and respect each other as we prepare for our future.

At St George's we aim to live by the 5W's to ensure we live our lives by the values at the roots of Christianity; they help us to aspire to be like God.

The 5W's are: Welcome; Word; Witness; Welfare; Worship

At St George's all are **WELCOME** in God's name; we are all God's children. We do our best to include all within our community and we celebrate our diversity.

Our school community is inspired by the **WORD** of God. Teaching and learning within Religious Education is one way in which we do this at St George's. We use the Word of God to nurture our spirituality.

As witnesses to the Word of God, Christ is at the centre of all that we do at St George's. We are witnesses to the Word of God in our actions and our behaviour. We extend this **WITNESS** beyond our school community to reach out to others.

St George's puts the **WELFARE** of all at the heart of our community. We respect the rights and dignity of every individual as a child of God made in His likeness.

Through **WORSHIP** opportunities we reflect on spiritual, moral social and cultural issues. At St George's we encourage active participation in liturgy, collective worship, personal quiet reflection and meditation.
