

Our topic this half term is: In the garden

Maths

Composition of 6, 7, 8

6

six

7

seven

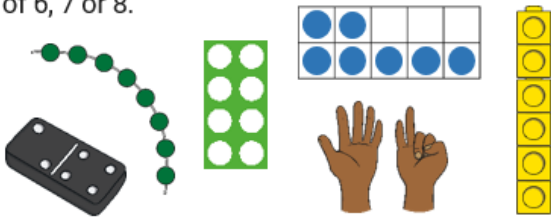

8

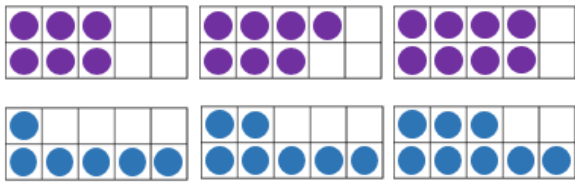

eight

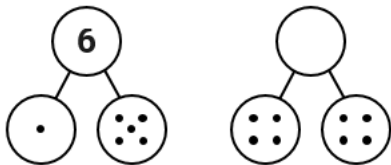

Talk about which images show a representation of 6, 7 or 8.

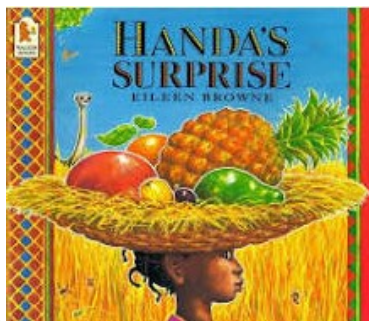

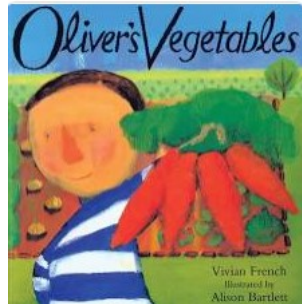

Look at how these counters have been arranged on the ten-frames. How many counters are in each ten-frame? How do you know? What are the similarities and differences between them?

Talk about what these part-whole models show. Which number is missing?

Some of the stories we will be reading

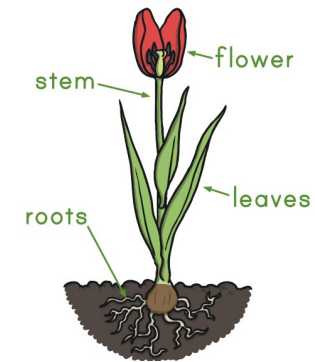

Vocabulary

Seasons- winter, spring, summer and autumn.

spring

Parts of a Plant

Watching plants grow and planting seeds.

Easter-

This takes place over the weekend of Good Friday to Easter Monday. It is a celebration of the resurrection of Christ.
