RE Curriculum Intent Statement

We are learning and growing together as God's family. We will always do our best to love and respect each other as we prepare for our future.

At St. George's, we work together to grow spiritually as members of God's family, with Christ at the centre of all we do, living out our Mission Statement. As staff, we lead by example, as living witnesses to the Gospel, following God's Great Commandment. Our pupils are encouraged to participate in spontaneous prayer, lead Collective Worship and organise their own charity initiatives, showing their faith in action.

Religious Education is threaded and embedded across all aspects of school life and in our behaviour. Some examples of how we immerse Religious Education include: formal lessons, daily prayers, collective worship, maintaining a strong relationship with the Parish of St. George's and upholding our rich religious traditions- Reciting the Rosary with Parishioners, Reconciliation, Masses in school and in Church etc.

In addition, we implement 'Building the Kingdom', providing opportunities for children to think more deeply, as Catholics preparing for their future. Our School Chaplaincy Team support the school ethos and provide spiritual guidance to their peers.

Through their rich Catholic experiences at St. George's, our pupils are motivated and inspired to use their unique gifts from God as we prepare them to become stewards of our common home and to live in a diverse society.

Using The Way, The Truth and The Life, the New Standards Framework, supplementary materials and use of scripture, our aim is

**St George's Catholic
Primary Voluntary
Academy**

to support children in their daily task of unfolding the mystery of God,
the teaching of the Church and its application in their lives.
