

Year 5 Curriculum Overview

English

In English lessons, They will also be studying the fiction text 'Holes' where they will be writing a persuasive letter inviting young people to join 'Camp Green Lake'. They will also be comparing, writing and performing poetry.

Children will be reading a number of Greek Myths which they will then use to inspire their own Myth adventure story.

Summer Term 2024

Maths

All children will participate in a structured daily Mathematics lesson. Teachers will teach the whole class for a high proportion of the time and oral and mental work will feature strongly in each lesson. Teachers will continually assess and address any gaps in learning. This term will involve written methods for addition, subtraction, multiplication and division, volume and capacity, improper fractions, money, reflection, percentages, shape and statistics.

Religious Education

In Religion, we will follow 'The Way, The Truth and The Life' in the summer term. We will be discussing the topics of 'Life in the Risen Jesus' and 'People of Other Faiths', with a focus on Islam.

Science

In Science, we will be learning about Earth and Space in the first half term and then we will move onto Forces, with a special focus on Gravity.

Geography

Geography- European Region. During this topic children will learn about the European Region. Children will explore physical features of different regions, tourism and migration with a particular focus on Greece.

History

During this topic children will learn about how and why Ancient Greece became so important, how the Greeks improved their quality of life and compare the lives of the Spartans and Athenians.

Computing

Coding: The children will learn to use simplified code to make their programming more efficient. Children will also learn to use variables in their code, and create a simple playable game.

Music

The children will develop their keyboard playing through further repertoire. We will also be working on reading and playing treble clef notation on the keyboard through pitch and rhythm exercises from the Rock School Piano method.

PE & Sport

Children in 5M will have weekly swimming lessons which we hope to start after three weeks and all children will have a weekly PE lesson. Children in 5R will have weekly PE lessons with Mr Lewis.

PSHE

The children will continue with their circle time lessons and collective worship. PSHE lessons will focus on our topic of 'Being my best' and 'Growing and changing.' Children will learn about their changing bodies and feelings.

Art/Design & Technology

Students will begin to explore and create their own architecture. Students will learn how lines, forms, structures, and materials are used to create various designs – meeting and fulfilling a designated design brief.

MFL- Spanish

In Spanish, we will be learning about ordering food in a restaurant so that we can have a conversation and make up and perform role plays. Reading, writing, listening and speaking skills will all be utilised. We will also learn vocabulary for breakfast. We will move onto nationalities and countries

Rich experiences/trips
