3rd April 2020

Dear Children,

Why are there rainbow pictures on windows? Quite simply, children have been putting these colourful pictures on their windows to cheer up passers-by. The rainbows aim to make people smile while they're walking by, and also offer a message of hope. I have seen them and they make me smile 😊 Have you made one yet?

You will remember that our first understanding of a rainbow was in The Bible in the story of Noah's Ark. Here the rainbow is a symbol of peace and hope after a heavy rainfall, just like sometimes, you will see a rainbow in the sky after rain yourselves. Think about how it makes you feel when you see one.....we usually shout out, "There's a rainbow!" because we want others to see it too!

So rainbows serve us to remember, that there is hope and light after dark times. This is just like Easter, when we have HOPE after the dark times when Jesus died, but was raised to New Life.

Happy Easter to you and your families - Enjoy lots of Chocolate!

Love from, Mrs Monaghan.
